12 general budget limit as provided in subsection K of this section and may
13 increase the amount as follows:

14 1. For fiscal year 1988-1989:

15 (a) Multiply one thousand ninety-four dollars by the number of
16 children with disabilities or children with specific learning disabilities,
17 excluding children who also reside on Indian lands, reported to the division
18 of impact aid, United States department of education in the district's
19 application for fiscal year 1987-1988.

20 (b) Multiply five hundred forty-seven dollars by the number of
21 children residing on Indian lands, excluding children who have disabilities
22 or also have specific learning disabilities, reported to the division of
23 impact aid, United States department of education in the district's
24 application for fiscal year 1987-1988.

25 (c) Multiply one thousand nine hundred fourteen dollars by the number
26 of children residing on Indian lands who have disabilities or also have
27 specific learning disabilities reported to the division of impact aid, United
28 States department of education in the district's application for fiscal year
29 1987-1988.

30 (d) Add the amounts determined in subdivisions (a) through (c).

1 (e) If the amount of P.L. 81-874 assistance as provided in subsection
2 K of this section is less than the sum determined in subdivision (d) of this
3 paragraph, the district is eligible to use the provisions of this subsection.

4 2. For budget years after 1988-1989, use the provisions of paragraph 1
5 of this subsection, but increase each dollar amount by the growth rate for
6 that year as prescribed by law, subject to appropriation and use the number
7 of children reported in the appropriate category for the current fiscal year.

8 3. If the district is eligible to use the provisions of this
9 subsection, subtract the amount of P.L. 81-874 assistance determined in
10 subsection K of this section from the sum determined in paragraph 1,
11 subdivision (d) of this subsection. The difference is the increase in the
12 amount that may be included in determining the general budget limit as
13 provided in subsection K of this section, if including this amount does not
14 increase the district's primary tax rate for the budget year. If the amount
15 of P.L. 81-874 assistance determined in subsection K of this section is
16 adjusted for the current year, the increase determined in this paragraph
17 shall be recomputed using the adjusted amount and the recomputed increase
18 shall be reported to the department of education by May 15 on a form
19 prescribed by the department of education.

20 4. If a district uses the provisions of this subsection, the district
21 is not required to adjust its budget for the current year based on
22 adjustments in the estimated amount of P.L. 81-874 assistance as provided in
23 subsection K of this section.

24 P. A school district, except for an accommodation school, which
25 applies for P.L. 81-874 assistance during the current year may budget an
26 amount for P.L. 81-874 administrative costs for the budget year. The amount
27 budgeted for P.L. 81-874 administrative costs is exempt from the revenue
28 control limit and may not exceed an amount determined for the budgeted year
29 as follows:

30 1. Determine the minimum cost. The minimum cost for fiscal year
31 1990-1991 is two thousand three hundred forty-three dollars. For fiscal year
32 1991-1992 and thereafter, the minimum cost is the minimum cost for the prior

1 year increased by the growth rate as prescribed by law, subject to
2 appropriation.

3 2. Determine the hourly rate. The hourly rate for fiscal year
4 1990-1991 is nine dollars thirty-eight cents. For fiscal year 1991-1992 and
5 thereafter, the hourly rate is the hourly rate for the prior year increased
6 by the growth rate as prescribed by law, subject to appropriation.

7 3. Determine the P.L. 81-874 revenues available by subtracting the
8 amount of P.L. 81-874 assistance used to increase the general budget limit as
9 provided in subsections K and O of this section for the current fiscal year
10 from the total amount of P.L. 81-874 revenues received in the current fiscal
11 year.

12 4. Determine the total number of administrative hours as follows:

13 (a) Determine the sum of the following:

14 (i) 1.00 hours for each high impact pupil who is not disabled or does
15 not have specific learning disabilities.

16 (ii) 1.25 hours for each high impact pupil who is disabled or has
17 specific learning disabilities.

18 (iii) 0.25 hours for each low impact pupil who is not disabled or does
19 not have specific learning disabilities.

20 (iv) 0.31 hours for each low impact pupil who is disabled or has
21 specific learning disabilities.

22 (b) For the purposes of this paragraph:

23 (i) "High impact pupil" means a pupil who resides on Indian lands or a
24 pupil who resides on federal property or in low rent housing and whose parent
25 is employed on federal property or low rent housing property or is on active
26 duty in uniformed service, as provided in P.L. 81-874, section 3(a) and as
27 reported in the application for P.L. 81-874 assistance in the current year.

28 (ii) "Low impact pupil" means a pupil who resides on nonfederal
29 property and has a parent who is employed on federal property or low rent
30 housing property or is on active duty in a uniformed service or a pupil who
31 resides on federal property or in low rent housing and who does not have a
32 parent who is employed on federal property or low rent housing property or is

1 on active duty in uniformed service, as provided in P.L. 81-874, section 3(b)
2 and as reported in the application for P.L. 81-874 assistance in the current
3 year.

4 5. Multiply the total number of administrative hours determined in
5 paragraph 4 of this subsection by the hourly rate determined in paragraph 2
6 of this subsection.

7 6. Determine the greater of the minimum cost determined in paragraph 1
8 of this subsection or the product determined in paragraph 5 of this
9 subsection.

10 7. Add to the amount determined in paragraph 6 of this subsection the
11 amount, if any, to be expended by the school district in the budget year
12 through an intergovernmental agreement with other school districts or the
13 department of education to provide P.L. 81-874 technical assistance to
14 participating districts.

15 8. Determine the lesser of the amount determined in paragraph 7 of
16 this subsection or the revenues available as determined in paragraph 3 of
17 this subsection.

18 9. The amount determined in paragraph 8 of this subsection is the
19 maximum amount which may be budgeted for P.L. 81-874 administrative costs for
20 the budget year as provided in this subsection.
